

The Food, Fibre & Timber Industries Training Council “Try-a-Trade” together with North Metro TAFE.

**Can you spare 1-2 hours of your time on one day? Here is how you can volunteer**

- We require volunteers to assist in a speed careering activity. Students will be in small groups and will rotate around employer volunteers for 10 mins each for a total of one hour.
- Can you host students for a tour of your workplace either in person or virtually (via Zoom)?
- Can you be a guest speaker either solo or on a panel?
- Can you donate materials?
- Can you offer work experience placements?
- Do you require an apprentice or trainee?

If you could volunteer for any of these opportunities or if you have any other ideas how you could be involved please contact Janine Blake from the FFTITC; [janine@fftitc.com.au](mailto:janine@fftitc.com.au) or 0427 351 027
